REGULATIONS FOR STUDENT SOCIAL AFFAIRS

The regulations of the Social Affairs Committee are to be taken not as arbitrary rules, but as necessary to the proper organization and operation of the college. They cannot be all inclusive and the college expects the students to be guided by the underlying principles of wholesome social relationships in all situations, whether covered by these definite statements or not. Every student in the college is therefore bound, both by reason and by loyalty, to observe them since upon them depends the free and wholesome activities of the institution whose benefits he seeks.

I. Permission from the Committee on Social Affairs of S. S. G. A. must be obtained for all social functions. This permit must be obtained 48 hours before the time set for the function.

II. Social functions are: dances, mixers, smokers, receptions, banquets, dinners, and organization hikes, hay rack rides ,etc.

III. Social functions shall be limited to Friday and Saturday and the day preceding any college holiday. Exception—Greater privileges are granted during the first week of the semester.

IV. Each social function must be properly chaperoned. The names of the chaperones must be given to the Social Affairs Committee for approval at least 48 hours before the time set for the function. Courtesy to the chaperones is expected from all students in order to show their appreciation of the service rendered the organization by the chaperones.

V. All Student social affairs shall not continue later than 11:30 p. m., except one event each year for each organization—the closing time of which shall be fixed by the Committee on Social Affairs. Refreshments which are considered a part of the social functions shall be within the hours granted by the Social Affairs Committee.

VI. Each organization is limited to one social function each semester that requires the use of a

public hall or college building,—except that each organization is permitted one extra social function during the fall rushing season.

VII. No dances or informal dancing will be permitted at chapter houses, student rooming houses, or any other place except on Friday or Saturday unless by special permission of the Social Affairs Committee. All such dances shall be under the same regulations as those held in public halls or college buildings.

VIII. Students are not allowed to attend public dances, or dances which have not been approved by the Social Affairs Committee.

Dances given at Harrison's Hall on Saturday night are Students' dances and are under the supervision of the Social Affairs Committee.

IX. Men callers may be entertained at women's rooming houses on Friday, Saturday and Sunday between the hours of 3 and 10:30 p. m. and on other days from 3 to 8 p. m.

X. Members of men's social organizations may receive women callers, provided the house mother is present, between the hours of 3 and 10 p. m. on Friday, Saturday, and Sunday.

XI. Student social organizations may entertain dinner guests when the house mother is present or when other approved chaperones have been provided.

XII. Unorganized groups of students may secure permission to dance by conforming to the rules that apply to dances given by organizations.

XIII. College organizations cannot give dances out of town.

SUBSCRIPTION AND BENEFIT DANCES

I. All subscription dances and all dances given for the benefit of college organizations shall be in charge of a door keeper employed by the Social Affairs Committee. It is his duty to receive all money paid in and to pay all bills.

II. Any person giving a subscription dance shall be limited to a profit of $5.00 for each dance. The surplus shall be turned over to the Chairman of the Social Affairs Committee. This fund shall then be given to the Student Self Governing Association Treasurer and used to furnish funds for all college social functions and for incidental expenses of the committee.

III. Hall for subscription dances will not be granted more than two weeks previous to date of dance.

HIKES

I. Hikes are considered social functions and must conform as such to the regulations controlling social functions.
